THE HAPPENING

June 2007, Anantara Seminyak was having an exhibition at The Landmark Mandarin Oriental Hotel in Hongkong, working together with property agent King Sturge and Clear Water International Ltd for its financial program.

Visitors were enthusiastic with Anantara project in Bali, being the absolute beach front property with fixed return of investment made them confidence in purchasing a piece of Paradise.

What about yourselves ?

THE HAPPENING

Anantara Seminyak continuing the promotion and sales by doing the exhibition at Discovery Mall, Bali in July 2007 where many tourist and Indonesian are visiting this shopping mall during summer and school holiday. This exhibition brought many visitors to know more about Anantara Seminyak, such as when we are going to open, whether the show unit is ready to visit, and what the benefit is for the buyers.

Mr. William E Heinecke, Chairman of Anantara and Minor Corporation visited Anantara Seminyak during his short trip to Bali in August 2007. During his visit, he commented; he is confidence and trusted that his management team can bring high occupancy to this resort and Anantara Seminyak will become a MUST stay place during holiday in Bali.
